

The Concert Fundraising Series at the Walden United Methodist Church will take place in the Church Sanctuary. The acoustics of our Sanctuary are exceptional thanks to the Gothic Revival style arched ceilings. We are sure you will enjoy performing here! Entrance to the Sanctuary is in the central front door under the bell tower. Free Parking: Parking is on the street or in a small lot across the street from the church, with ample additional parking two blocks away just off the Municipal Square.

Tickets: \$8.00 adults / \$5.00 students & seniors.

##### *Concert Series Guidelines*

- ✓ Performers may be soloists or small groups.
- ✓ Two selections will be performed by each musician or group of musicians.
- ✓ Musical selections should have appeal for all age groups. Classical, instrumental, Christian, mild jazz, swing, bluegrass, etc. are all good choices. Vocal music may be selected from musicals, operas, or various vocal artists. (Note—Music that would not be appropriate for the concert series would include hard rock, dance club music, and songs with lyrics not appropriate for children or for a church sanctuary.)
- ✓ Performers' dress should be neatly casual-to-formal, depending upon preferences.

Funds raised from the concert series will go toward operational expenses of our church and various missions, with each concert focusing on a different mission.

The November 11<sup>th</sup> concert will focus on literacy in our region. A portion of the proceeds will go to The Literacy Volunteers of Orange County, Inc.
